Manufacturing yarn, weaving fabrics knitting and finishing...

Manufacturing yarn, weaving fabrics knitting and dyeing, producing elegant laces, ready-made net-curtains, making up complete window decorations and supplementing the curtain and heavy curtain programme with table cloths, cushions, bedspreads and upholstery fabrics. This is the unusual wide production range of one of the most modern net curtain and heavy curtain factory in Europe.

Made in Germany is a long-range promise of quality for us.

Information: contract fabrics

UNLAND, as a leading global manufacturer, develops and produces innovative decorative and upholstery fabrics for commercial and residential use.

Areas of use

True to the motto: "Committed to the future. Always" – our fabrics are not only distinguishable by their sophisticated colours and stylish patterns. Our technical innovations have enabled us to create a significant improvement to the quality of life and living: all UNLAND fabrics are inherently flame retardant, thus fulfilling the very highest safety standards.

Flame-resistant curtain and room fabrics made from CS

Advantages:

- Permanent flame-resistant according to DIN 4102, B1 (certification mark Z-PA-III 2 1147)
- Excellent non-fade properties and minimum loss of strength through light exposure
- Long-lasting durability and excellent shape retention
- Easy-care even when used in commercial premises
- Washing shrinkage < 1% (follow manufacturer's temperature instructions)
- Suitable for bathrooms etc.
- Versatile decoration, sewability and fashionable variety
- Textile texture and appearance
